This addendum shall revise or clarify Coquiltam Public Library's Request for Proposal: IT Infrastructure Equipment and Installation Services. This addendum shall form part of the contract documents and is to be read, interpreted and coordinated with all other parts. The following information is provided to answer questions raised by Proponents for the above-named project, to the extent referenced and shall become a part thereof.

## Question with Responses:

Q1) The RFP specifies Lenovo as the server vendor. As HCI is an option is CPL open to a Nutanix server option as that is the technology licensed by Lenovo for their HCI solution?

*A) Yes, the Library will accept Nutanix as a server option because it is licensed by Lenovo for their HCI solution.*

Q2) Are the Juniper switches required? Or is the library open to looking at other manufacturers?

*A) As per 5.1.2 Network Switch Hardware and 7.2 Hardware, Juniper Switches are required.*
