1.0 Could the execution / delivery of the project be done virtually?

While some of the project could be completed virtually, in person focus groups would be of great value to the overall project and is therefore preferred. This is dependent on Provincial Health Orders, and may be forced into a virtual space should Health Orders change.

2.0 Please confirm if the proposal deadline is 12.00 PST on the 4th of April (since under Section 7 - Timeline & Milestone it states that proposals are due at 16.00 PST on 4th of April)

The proposal deadline is 12.00 PST on the 4th of April.
