Five pretty poppies standing in a row  
One blows over, but four still grow...

*Blow last finger over. Hold up other hand to be the farmer  
And move it towards closed fist. Raise all fingers on 'ten"*

One blows over, so no poppies grow  
Here comes a farmer with a fork and hoe  
Out comes the sun and ten poppies grow

### **Five Red Apples** (finger rhyme)

(tune: Ten Green Bottles)

Five red apples hanging on a tree.

Five red apples hanging on a tree.

Then I plucked one apple

And ate it hungrily,

Leaving four red apples

Hanging on a tree.

...4,3,2

One red apple hanging on a tree

One red apple hanging on a tree

Then I plucked one apple

And ate it hungrily,

Leaving no red apples

Hanging on the tree.

### **Five Rosy Apples** (finger rhyme)

Five rosy apples by the cottage door,

One tumbled off the twig

And then there were four.

Four rosy apples hanging on the tree,

The farmer's wife, she took one

And then there were three.

Three rosy apples, what shall I do?

I think I'll have one

And then there'll be two.

Two rosy apples hanging in the sun,

You have the big one

And that will leave one.

One rosy apple, soon it is gone,

The wind blew it off the branch

And now there are none.

### **Five little snowmen**

Five little snowmen, standing in a row

He had a hat and a big red bow

Out came the sun and it stayed all day

And that little snowman melted away

All the little snowmen melted away...
